Travel Advisory #983596

COVID-19 TEST MAY BE REQUIRED TO ENTER YOUR DESTINATION. Failure to have the proper COVID-19 documentation may affect entry into your destination. It is the Traveler's responsibility to have all the necessary documents, test, and vaccinations completed prior to departure. Improper required travel documentation is not covered by any Trip Protection Plans.

Since destination entry requirements vary widely and change frequently, at least 5 business days prior to departure, we recommend that all Travelers research specifics for your destination. In addition to international COVID-19 travel protocols, COVID-19 travel restrictions and protocols may be in place upon return to the United States. Please continue to monitor all state or local health advisories from your city or state of origin prior to travel.

• Check your destination's official governmental health ministry website for the latest entry, testing and in-destination self-isolation requirements and complete all pre-travel items and preparation; e.g. <https://uk.usembassy.gov/covid-19-coronavirus-information/>.

• Check Classic Vacations' hotel resource and health & safety website (<https://www.classicvacations.com/hotel-status>) for the latest open status, on-site health & safety requirements and service adjustments that have been provided by each property.

On-site service adjustments may include, but are not limited to, food services (room service, buffets), check-in & check-out time, daily linen change, turndown service, on-site amenities (pool, spa, gym), etc.

Classic Vacations wants you to have a safe and truly wonderful vacation, so we recommend that you fully educate yourself on the destination and hotel specific changes that have been made in response to the COVID-19 pandemic, and plan accordingly before you depart on your vacation.

Denied boarding or denied entry into your destination due to inadequate travel documentation including required test results, immunizations, travel insurance and health forms are NOT covered by any Classic protection plan.

Reminders #983596

Please check the attached invoice carefully and verify the spelling of all client names. Due to an increase in security measures by airlines, your clients may be denied boarding if names are spelled incorrectly.

Earn more commissions! Call any time before departure to arrange golf and sightseeing for your clients. Ask your reservationist for details.

\*\*Please note your commissions is paid in the same currency as the form of payment used on the reservation (i.e. USD or CAD). For example, if your clients pay for their booking in CAD, but your agency is based in the USA, you will receive your commissions in CAD. Note, your bank may charge you a fee to convert your commission into the appropriate currency.

Please take a few moments to review with your clients the "Terms and Conditions" on the inside back cover of Classic Vacations' brochure.

Published air is non-refundable in most cases. If changed after being ticketed, most fares require that the passenger complete travel one year from the date the air was originally ticketed. Please verify this date with a Classic Travel Specialist.

A passport is required when traveling outside of the United States. If any passenger carries anything other than a U.S. Passport, please contact the Consulate of the country(s) you are visiting to verify document requirements. If you do not have appropriate documentation, you will be denied entry and any applicable fees are not covered by Travel Protection. Passports must be valid for at least 6 months beyond your return trip for international travel.
